

St Mary's School Uniform Policy

A considerable amount of effort has gone into the selection of the St Mary's School uniform, with a great deal of care taken in providing practicality and flexibility. Our uniform is a highly visible symbol of our school and promotes positive community perceptions of St Mary's School students, particularly when they are travelling to and from school.

The correct wearing of our school uniform is important whilst at school and also during off site activities and it is strictly maintained by classroom teachers and leadership team members. As a school, we feel the wearing of the school uniform encourages a sense of pride in appearance, respect for oneself, helps students identify with one another and also contributes towards a sense of belonging to an inclusive community.

At St Mary's School the students are expected to wear the prescribed uniform each day and parents/guardians are asked for their support in ensuring their child(ren) leave home each morning they attend school in their full, correct uniform, which is clean and in good repair. Students must present a note, written by a parent/guardian in the event that they are not wearing correct school uniform, on a particular day. If a note is not presented, a '**Breach of Uniform Policy**' note will be sent home to be signed by the parent/guardian which is then returned to the school.

Black shoes (completely black) are part of the summer and winter uniform. These shoes **must be of a polishable material such as leather or vinyl**. For safety reasons, **boots are not permitted**. Uniform items are available at our supplier, Bellarine Uniforms, 162 Moorabool Street ☎ 5221 9199 or [online](#). The school also provides some second hand uniforms at the school, for purchase.

All uniform items must be clearly marked with the student's name.
